The secretary's report stands as read.
The treasurer's report stands as read.

Tucker Report: waiting for snow. The trails were ok, considering the conditions. Still need to put the hour meter on, and the gas will be drained this summer.

NKM Report: The Feb meeting was at 5Corners Tap. The Greenbush club was not happy the trails weren't open North of 23, said they lost \$8000. The DNR is hiring 6 recreational wardens.

Trails: Bob will be applying again for the I-43 park and ride to be funded and possibly a bridge. There is \$2200 in the maintenance fund, could we use that for the culvert? Would need to be approved by the County.

Old Business:

- Convention-Scott is going for the day
- Culvert-tabled for now

New Business:

- Nick Wilterdink and 3 other youths are going to Nova Scotia to the National Snowmobile Conference, to give a presentation about youth in snowmobiling. They are asking for a donation to help with travel costs. Erich moved to give them \$100, Matt seconded it. The motion passed.
- At the NKM meeting they talked about opening/closing trails and needing better communication on the trail of status. Mark brought up possibly having snow fence to put across the trail at key intersections until the trails are open, in discussion it was brought up that then as soon as the trails open, it better be removed. Subject tabled until fall and decide then the best thing to do.
- Club dues-was brought up to put a deadline on when dues are due, just to get everyone to join in a timely manner. Now we get a couple stragglers shortly after the meeting. We discussed just putting in newsletter that dues need to be paid by the meeting night to be entered the AWSC roster the current month, if submitted after they will wait until the next month's roster.
- Elections-Bob, Corey and Robin, terms are up, will they be rerunning?
- Food at the April meeting, it was decided yes.
