

Five Corners Snowmobile Club Meeting Minutes

September 10, 2013

The meeting was called to order by President Scott DeRuyter.

The secretary's report was approved as read.

The treasurer's report was approved to file for audit.

Northern Kettle Moraine Report, Scott DeRuyter: Last meeting was talking about countywide insurance mainly. We have not heard anything about this yet, so we'll find out as ours is due next month.

Tucker Report, Robin Dorzok: Would like to put new exhaust on it. That's about it for this year. We'll get estimate from Kvindlogs.

Trail Report, Bob Boss: Handed out landowner lists to those in attendance. Any changes or reroutes, let him know to pass on to the county.

Old business: None.

New business: Dale Wingert, congratulations for son receiving scholarship from the International Snowmobile Congress. Thanks for representing the club.

Snow show is October 18-20 in Milwaukee. Only one in Wisconsin this year.

Bridge behind hospital will be looked at to see what has to be done. The bridge is okay but the banks are in trouble.

Judy provided convention information. The main hotel is booked. Also provided information on Miss Snowflake contest.

Judy's term as secretary is up at the end of the season. She will not be running again. Let her know if you are interested or know of someone who may be.

Races at fairgrounds. We called Sheboygan Falls club for help because we didn't have enough people. They got \$200; we got \$300. Tim Sass is president of Sheboygan Falls and mentioned working together on things like this to share duties. Scott will not be heading this up anymore if someone else is interested.

Texas Roadhouse has fundraising available where you have a night to invite people to eat and 10 percent of profits go to the club. There is no working involved.

Kringles. Do we want to do again? Yes. Dean will get the information.

We are doing the raffle again. The license should be on the way. We'll get the tickets printed up. We'll print 200 with four prizes. They will be ready before the next meeting to begin selling.

Safety course is not scheduled yet. We'll let everyone know and update the website when it's set.

For trails talk to your landowners. If you need a reroute figure it out now instead of the last minute. If things need to be done let people know so it can be done right away. It was stressed to talk to landowners so there are no issues.

We sent a card from the club for Steve Walsh, a landowner who passed away over the summer.

Bob Boss audited the books from the last two years. They are all good.

Some flyers were available for the Sheboygan Yamaha fall open house and the Kettle Moraine ATV cancer ride.

NKM—We are up for hosting a meeting. It's usually in February. Do it at Kim's or Chissy's? Do it at Kim's was response.

Also for commercial sponsors, Chissy's. We usually pay their sponsorship for allowing us to use the room for meetings. Should we still do that? Motion by Angela Dulmes, second by Jamie Meyer to pay Chissy's sponsorship. Motion passed unanimously.

NKM, don't know if they'll be redoing maps this year. They still have a lot of paper ones left.

Motion to adjourn, second. Motion passed unanimously.
