

September 2018

Keep selling those raffle tickets. They need to be turned in by the start of the November meeting, remember to have them fill out the whole address on the stub, no labels.

Mark Vis has decided to step down as president, he has too many personal commitments and doesn't feel like he can dedicate as much time as he'd like to being the president of 5 Corners Snowmobile Club, please let him or a board member know if interested.

A note from Bob-For those who mark trails, it's not too soon to start contacting your landowners. Bob will hand out the lists at the October meeting. Please let him know if there are any changes or reroutes.
